

# Awards are original works of art painted by **Eric Longo**

Beaufort artist, Eric Longo, created original artwork to be presented to each recipient as an award. Each piece is a nature themed painting on a piece of reclaimed metal.

Eric Longo was born in Pawcatuck, Connecticut in 1948, and educated at the school of the Worcester Art Museum and the Rhode Island School of Design. His work can be found at LONGO ART, a fine art gallery featuring the works of the Longo family.

In Eric Longo's work, the environment is an archetypal landscape, inhabited by a vocabulary of cultural icons. Using found materials for both paintings and sculptures. His work makes a connection between resource and art.
